

Senior Sustainability Consultant – Energy modelling

We are seeking to employ a Senior Sustainability Consultant to work in our London or Farnborough office.

The Role

An excellent opportunity has arisen within Hilson Moran's Sustainability Group based in London or Farnborough office for an experienced sustainability / energy consultant to join our expanding team of dedicated specialists. Applications are sought from candidates with experience of energy and renewable energy assessments

We'd like to Hear from You If You Have Experience with

- Thermal / energy modelling of buildings
- Building physics
- Understanding of the building certification process
- Level 5 Assessor
- Operational Energy Analysis
- Planning and design advice
- Renewable energy feasibility studies
- Report writing – energy statement, climate change
- Liaising with clients

You will have the opportunity to work on variety of high profile developments throughout the UK and overseas including commercial offices, education, retail, mixed use and residential schemes.

Interested?

Please forward your CV along with a covering letter outlining your suitability for the role and your salary / package expectations to careers@hilsonmoran.com
